Dear Mr. Dillard,

On behalf of Branch # 183 of the National Association of Postal Supervisors (NAPS), Charlotte, NC, we want to take this opportunity to thank you and Dillard's Financial Solutions for the Corporate Sponsorship of our annual golf tournament. Your valuable and generous support in making scholarship awards attainable is greatly appreciated.

Our Branch # 183 yearly scholarship funds will be supported by a Golf Tournament. This day long event provides fun, exercise, fellowship, enthusiasm and opportunities to make college education possible for the applied applicants.

We again want to thank you for your positive action to help our membership siblings to further their education and give them hope for the future.

Thank you,

William Taylor

Past President
